ABOUT FAIRFIELD

The City of Fairfield is situated midway between San Francisco and Sacramento—the State capitol. Fairfield offers an inviting mix of rural and suburban lifestyles and easy access to all of the urban amenities associated with two of the nation’s most dynamic metropolitan regions.

Fairfield is a growing community that reaps the benefits of its ideal location for those who live and work here. The blend of agriculture, corporate business and pleasant lifestyle enhance the attraction of Fairfield. The area is blessed with a thriving agricultural economy and also home to biotechnology and other growth industries.

Residents here enjoy vibrant, safe, clean, affordable and diverse community with robust commerce, and thriving businesses. Fairfield is a vibrant and diverse community with respect for its heritage and a prosperous vision for its future. With its strategic location, growing housing communities, natural and human resources, and quality of life, Fairfield is entering the 21st Century with a promising future as a place to live, learn, work and play.

THE POSITION

The City of Fairfield is recruiting for a Building Inspector Supervisor. This position will provide supervision, direction and training for assigned personnel in the Community Development Department Building Safety Division; to assist the Chief Building Official in planning and directing division activities; assist in the review of building plans and specifications for permit issuance; to enforce building (residential and commercial) and zoning codes and laws; perform related functions as required.

Under general direction from the Chief Building Official, the Building Inspector Supervisor provides direct supervision to building inspection staff, and may provide Building Division staff oversight in the absence of the Chief Building Official. The Building Division is part of the city's Community Development Department.

The city is seeking an energetic and experienced candidate whose character reflects the values of the city. The successful candidate should be a collaborative, adaptable, and open-minded individual who learns quickly, leads by example, and is not afraid to roll up their sleeves to get the job done. The individual should have confidence in their ability to communicate effectively. The ideal candidate should also be a mindful leader who cares for their associates and brings a passion for chasing excellence.
