10E.29 Operating Requirements for Out-of-City Delivery Services

A commercial cannabis business that is located outside of the City and proposes to provide delivery services into the City shall comply with the following requirements, prior to commencing deliveries within the City:

- a) Obtain from the City a business license and a cannabis delivery permit authorizing the delivery of cannabis and cannabis products within City limits. A commercial cannabis business permit shall not be required.
- b) An application for a cannabis delivery permit shall include evidence of a valid State license for a commercial cannabis business located outside of the City, on behalf of which delivery services are to be provided; the year, make, model, license plate number, and Vehicle Identification Number (VIN) for any and all vehicles that will be used to deliver cannabis or cannabis products; and a nonrefundable fee in the amount established by the City Council.
- c) A copy of the cannabis delivery permit shall be retained by all drivers while performing delivery services within the City.
- d) Delivery of cannabis or cannabis products to any address located on publicly owned land or to a building leased by a public agency is prohibited.
- e) Any kiosk, iPad, tablet, smartphone, fixed location or technology platform, whether manned or unmanned, that facilitates, directs, or assists in the retail sale or delivery of cannabis or cannabis products at a location other than one permitted by the City, is prohibited.
