LOCATION OF PROJECT (ADDRESS)	ASSESSOR'S PARCEL NUMBER(S)	EXISTING LAND USE
NAME OF PROPOSED PROJECT		PROPOSED LAND USE
APPLICANT NAME/CONTACT NAME	BUSINESS PHONE () -	HOME PHONE () -
APPLICANT ADDRESS	CITY	STATE ZIP

DESCRIBE YOUR PROPOSED PROJECT IN DETAIL - Use separate sheet, if necessary.

SITE SIZE _____ SQ FT or _____ ACRES	SQUARE FOOTAGE OF BUILDING	NUMBER OF FLOORS OF CONSTRUCTION	MAXIMUM HEIGHT OF STRUCTURE
---	----------------------------	----------------------------------	-----------------------------

ANSWER THE FOLLOWING QUESTIONS AS COMPLETELY AS POSSIBLE AS THEY RELATE TO YOUR PROJECT

PROJECT INFO

- Describe any existing or proposed projects which are related: _____
- List all permits, licenses, loans, grants, or other entitlements from other public agencies which are required for this project: _____
- What natural features presently exist on the site? _____
- Describe how the proposed project will impact: _____
 - Creeks _____
 - Vegetation _____
 - Trees _____
 - Wetlands/Vernal pools _____
 - Rare and endangered animals _____
- Is the site or immediately adjoining area subject to slides, liquefaction, slope instability, or other related hazards?

 Yes No If yes, describe in detail: _____
- Is the property located in an earthquake special study zone? Yes No

Flood hazard area? Yes No
- Grading, excavating, or filling activities - Quantity of cubic yards to be:

(a) Moved within the site _____ (b) Deposited on the site _____

(c) Removed from the site _____ Disposal site _____
- Number, type and size of trees to be removed: _____
- Percentage and sq. ft./acreage of site to:

(a) Remain as natural open space _____ (b) Landscaped for open space _____
- Is sewer currently available to site? Yes No Is water currently available to site? Yes No

Describe any known problems associated with sewer or water availability _____

ANSWER THE FOLLOWING QUESTIONS AS COMPLETELY AS POSSIBLE AS THEY RELATE TO YOUR PROJECT.

11. Is property in area of any known contaminants? Yes No
 If yes, list _____
 (a) Are there any known sources of hazardous materials on site or on immediately adjoining properties?
 (Example: Underground gas tanks) Yes No If yes, list _____

 (b) Will proposed project involve use of any hazardous materials? Yes No If yes, list _____

12. Will proposed project produce any objectionable odors? Yes No If yes, describe _____

13. What type of equipment is associated with the proposed project? _____

14. Does the project have the potential to affect the site or project area in any way due to an accident (explosion or spill, operational failure)? _____
15. Will the project result in removal of any existing structures? Yes No If yes, describe any possible list significance and/or approximate year of construction _____

 List previous uses _____
 If structures were used for housing, state the number of units _____
16. Are there any known archeological resources on site or in general vicinity? Yes No If yes, describe _____

 Is there an archeological report available? _____ Yes No
17. How is access provided to property? _____
18. How much traffic will your project generate? _____
 Average daily trips: Employees _____ Customers _____ Residential _____
 Peak time of traffic flow: _____ AM _____ PM Number of trips during peak hours: _____ AM _____ PM
19. Will your project involve trucking or shipping? Yes No
 If yes, describe loading and truck movements on and off site, including times: _____

20. Number of employees per shift (average) _____ Hours of operation (daily, weekly) _____
21. Describe the surrounding properties, including information on landforms, creeks, plants, and animals; in the type of land use, intensity of land use (single family, apartments, etc.), scale of development (height, setbacks), and how the proposed project will affect these features: _____

22. Were the subject or surrounding properties assessed by a previous EIR or Negative Declaration? Yes No
 If yes, please provide name and date of document and address/location _____
